NOTICE OF EXEMPTION

Marin County
Environmental Coordination and Review

12/2/2025

1. **Project Name:** Paradise Drive MP 7.53 Slide Repair
2. **Project Location:** The project is located on Paradise Drive near milepost marker 7.53.
3. **Project Description:** The project will build a retaining wall to stabilize a road slip-out that occurred on the downslope shoulder roadway embankment. The purpose of the work is to prevent erosion and further destabilization of the roadway.
4. **Public Agency Approving Project:** Marin County Department of Public Works
5. **Project Sponsor:** Marin County Department of Public Works
6. **CEQA Exemption Status:** Categorical Exemption 15301 Existing Facilities, Class 1 (C) Maintenance of existing highways, streets, sidewalks, gutters, bicycle and pedestrian trails, and similar facilities.

Statutory Exemption Section 15269. Emergency Projects (b) Emergency repairs to public or privately owned facilities necessary to maintain services essential to the public health, safety, and welfare.

7. **Reasons for Exemption:** This project will repair a pre-existing County-owned road that was damaged during a large storm event in 2023, and it will not result in any impacts to the environment. Without repair the roadway would remain vulnerable to further degradation with potential loss of a travel lane. Paradise Drive is a highly traveled, major collector road connecting Tiburon to US-Route 101.
