**DATE:** May 19, 2026  
**PROJECT TITLE:** SPECIAL EVENT PERMIT – LGC BBQ  
**PROJECT LOCATION:** Stafford Lake Park; 3549 Novato Boulevard, Novato, Unincorporated Marin County, CA  
**ASSESSOR'S PARCEL:** 125-090-19

**Description of Nature, Purpose, and Beneficiaries of the Project:** The proposed project consists of granting a special use permit to the LGC for the LGC BBQ at the Stafford Lake Park Area 1, 1L, 2, 2L reservable sites and approximately 300 parking spaces. The event would occur on July 24<sup>th</sup>, 2026 between 12PM to 3PM. Set-up and take down would take approximately 2 hours before and after the event. Approximately 400 participants are anticipated. The event would include amplified sound. This is a private corporate event that will exceed the capacity of a reservable group site, reserving more than one site to accommodate the group size.

**Public Agency Approving Project:** Marin County Parks

**Name of Person or Agency Carrying Out the Project:** Chris Chamberlain, Director and General Manager

**Reasons for Exemption:** Marin County Parks has reviewed the special event permit application in the context of Stafford Lake Park and has determined that authorizing the permit the event is categorically exempt from the California Environmental Quality Act under the following sections of the California Administrative Code:

**Section 15323: Normal Operations of Facilities for Public Gatherings.** The project consists issuing a special event permit at an existing facility for a public gathering. Stafford Lake Park was designed with reservable space for this type of event and there is a past history of this facility being used for this purpose. There is a reasonable expectation that this event would not represent a change in the operation of the facility and that the event would not result in cumulative impacts; significant impacts on the environment due to unusual circumstances; affect the significance of historical resources. The project is not located within an officially designated scenic highway or on a hazardous waste site pursuant to Government Code Section 65962.5.
