Belvedere and Tiburon September Report

Not a lot to report from Belvedere and Tiburon.

Commissioner Gould and Binkley distributed Community Resource Guides to the Bel/Tib Library, The Ranch Recreation Center, Tiburon and Belvedere Police, both City Halls, civic groups and places of worship. We plan to invite all sign-ups from our Senior Expo event to the library next week to pick up their copy of the Resource Guide.

During the next several months, we will work with The Ranch Recreation Director, Jessica Hotchkiss on a Bel/Tib Social open house for seniors at the Belvedere Community Center to hear what they need and want in their community. Refreshments will be underwritten by the Belvedere Community Foundation. This will be similar to the listening series created and led by us at the library in previous years.

Commissioners Jane Gould and Larry Binkley
