

## Short Term Rentals Registered with the Marin County Department of Finance as of January 1, 2024

Below is a list of Short Term Rentals that were registered with the Department of Finance to operate a STR as of January 1, 2024. Note, the term registered means those with a legal Business license and Transient Occupancy Tax (TOT) certificate.

Since this list is based on the Department of Finance (DOF) records, some properties do not meet the Short Term Rental definition provided in Chapter 5.41 of the Marin County Code.

Further, this list may capture commercial lodging uses including hotels, motels, agricultural homestays, bed and breakfast inns, and campgrounds, which are not subject to Short Term Rental requirements and are instead regulated under separate sections of the Marin County Code.
