# LETTER TO THE RESIDENTS OF MARIN COUNTY

This publication provides an overview of Marin County's 368 Tax Rate Areas (TRAs) and the 2024-2025 property tax rates levied by local governments. Tax rates are listed numerically by TRA, with an index to help identify geographic locations. The TRA number for each parcel appears on property tax bills.

The Marin County Department of Finance collects property taxes on behalf of 108 taxing entities, including cities/towns, special districts, school districts, and county programs. These revenues support essential public services, such as education, infrastructure, emergency response, and community programs.

In fiscal year 2024-25, the total tax levy was \$1.5 billion, an increase of \$61.4 million (or 4.3%) when compared to the prior year. The tax levy includes \$1.1 billion for the basic 1% General Tax, \$142 million for debt service payments on bonds, and \$291 million in special charges.

Property tax revenues remain a critical funding source for local services, ensuring continued investment in Marin County's communities. This year's levy reflects changes in assessed valuations and voter-approved measures, ensuring continued investment in Marin County's communities and long-term financial stability.
