

Acknowledgment of Review of Zoning Requirements for Campgrounds - Coastal

Marin County Code [Title 20](#) (Coastal Zoning Code)

The Campground is subject to the following zoning requirements:

- A. Definition. As outlined in Title 20, a campground is defined as land that is used or intended for camping, which may include individual campsites, but where utility hookups for recreational vehicles are typically not provided at campsites.
- B. Permit requirement. Campgrounds are allowable in the zoning districts and with the permit requirements determined by Chapter 20.62 (Coastal Zoning Districts and Allowable Land Uses).

I, _____ (print owner's name), hereby confirm that I have read the requirements listed above and intend to operate a Campground at the property identified as Assessor Parcel Number (APN) _____, property address _____.
