~~<https://us05web.zoom.us/j/89651746258?pwd=IMT0OY4B0FPoLvKXqIpPba6IzVfcwX.1>~~

With:

Bids for this Project must be submitted online via BidExpress by 4:00 PM on Wednesday, July 1, 2026 at which time they will be publicly opened and read via Zoom:

Meeting ID: 896 5174 6258, **Passcode:** DPWENG2026

<https://us05web.zoom.us/j/89651746258?pwd=IMT0OY4B0FPoLvKXqIpPba6IzVfcwX.1>

Remove page 21 and replace with page 21 [Addendum 1] included with this addendum.

2. Section 5-1.34B. **ACTION SUBMITTALS** has been updated.

The time allowed for County review of Action Submittals has been updated. Replace the following lines from page 71:

~~Except for shop drawings and test samples, Contractor shall allow fifteen (15) days for review.~~

With:

Except for shop drawings and test samples and traffic control plan, Contractor shall allow five

(5) days for review. Traffic control plans shall allow ten (10) days for review.

Remove page 71 and replace with page 71 [Addendum 1]

Bidders shall acknowledge receipt of this addendum as indicated on the on the Public Contract Code. Failure to do so may render bidders bid non-responsive.

END OF ADDENDUM NO. 1

Approved by and issued on behalf of:

Christopher Blunk, P.E.
Director of Public Works
County of Marin

NOTICE TO BIDDERS

INVITING SEALED PROPOSALS OF BIDS

Project Name: Point San Pedro Road Sealant Project
County Project No. 41EP2530

Bids for this Project must be submitted online via BidExpress by 4:00 PM on Wednesday, July 1, 2026 at which time they will be publicly opened and read via Zoom:
Meeting ID: 896 5174 6258, Passcode: DPWENG2026

<https://us05web.zoom.us/j/89651746258?pwd=IMT0OY4B0FPoLvKXqIpPba6IzVfcwX.1> .

The project is a pavement preservation project in the form of slurry seal along the entire length of Point San Pedro Road, from San Rafael High School to east of Biscayne Drive. The project is designed to extend the life of the roadway while incorporating safety enhancements including signing and striping, rapid rectangular flashing beacons, and curb extensions.

The bid package, plans, and specifications may be viewed at:
<https://www.bidexpress.com/businesses/53528/home>

There is no pre-bid conference scheduled for this project.

The Engineer's estimate for this project is \$1,600,000

The Working Days for this project are **Fifty (50) days**.

Bidder shall possess a valid Class "A" at the time of bid submittal.

All bids must include a bid security for at least ten percent (10%) of the base bid, in the form of cash, certified or cashier's check, or bidder's bond.

This is a public works contract subject to the provisions of Labor Code Sec. 1720 et seq. Contractor and all subcontractors shall pay not less than current prevailing wage rates as determined by the Cal. Department of Industrial Relations (DIR) to all workers employed on the project. This project is subject to compliance monitoring and enforcement by DIR.

A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, or perform work on this project unless currently registered and qualified to perform public work pursuant to Labor Code Sec. 1725.5.

All submittals shall be made within a period which will cause no delay in the Work. The Contractor shall allow reasonable time for review by the Engineer.

The submittals shall be clear and legible prints which shall indicate completely the materials, articles, equipment and work to be done; the actual details of all manufactured or fabricated items; the proper relation to adjoining and kindred work; and shall amplify design details of mechanical, electrical and other equipment in logical relation to physical spaces in the structure. All submittals shall be accessible in conformance with digital accessibility and design accessibility laws and regulations.

Submittals are defined as fabrication, erection, roughing-in and setting drawings; wiring and control diagrams; schedules and lists of materials and equipment; descriptive literature, catalogs, brochures, pamphlets and cuts; performance and test data; part lists, maintenance and operating instructions; and other descriptive data pertaining to materials, equipment and methods of construction as required to clearly delineate the Work. The Engineer may require the Contractor to provide additional specific data or information where particular items of work are not fully or clearly described in the submittals.

The Engineer will review all submittals for conformity with design requirements only, noting thereon any necessary corrections. Notwithstanding approval thereof, the Contractor shall remain responsible for its own errors contained in such submittals and for full compliance with all requirements of the Contract, including, without limitation, the accuracy of quantities and dimensions, the quality of the Work, conformance to actual conditions in the Work, and coordination and fit of its work with all other work. The Engineer's approval of the submittals does not constitute approval of any detail thereof which is in conflict with the Drawings or Specifications unless there is specific written authorization therefor.

The Department may reject a submittal if it has any error or omission.

If the last day for submitting a document falls on a Saturday, Sunday, or holiday, it may be submitted on the next business day with the same effect as if it had been submitted on the day specified.

Convert foreign language documents to English and US customary units.

5-1.34B. ACTION SUBMITTALS

1. General

Contractor shall maintain a sequential list of action submittals except for samples, test samples, and material sources. With each individual submittal, submit a copy of the updated list.

Contractor shall submit an action submittal before the start of the affected work to allow for review and corrections without work delays.

Except for test samples, Contractor shall obtain the Department's authorization for action submittals before performing work based on them.

Except for shop drawings and test samples and traffic control plan, Contractor shall allow five (5) days for review. Traffic control plans shall allow ten (10) days for review.
