

You shared your experiences with septic systems and regulations. Now we're sharing what we heard.

Join us for a community meeting where we'll report back on feedback gathered from residents across Marin County as part of the LAMP (Local Agency Management Program) update process. We'll walk through what came up, what questions people had, and what recommendations are being carried forward.

This Meeting is Your Opportunity To:

- Hear a summary of what the community told us
- Ask questions about the process and next steps
- Add anything we may have missed before the process moves forward

Dance Palace

Monday, June 15, 2026
6:00 – 7:30 PM

Dance Palace
503 B St, Point Reyes Station

Virtual Meeting

Tuesday, Jul 7, 2026 | 6 – 7:30 PM:
