

HELP SHAPE MARIN COUNTY'S FUTURE

Marin County is developing its first Countywide Strategic Plan, Envision Marin, in more than 25 years. Your input will help identify what matters most to our community, shape priorities for the future, and guide decisions and investments in the years ahead.

WHAT MATTERS MOST TO YOU?

Your input will help identify the issues and priorities that matter most to our community and help shape the goals and recommendations included in the Countywide Strategic Plan.

SHARE YOUR VOICE

Visit marincounty.gov/envision to tell us what matters most to you and help inform Marin County's future direction. Everyone is encouraged to participate.

STAY INFORMED

The County will share updates throughout the process and plans to develop a public dashboard so the community can track progress over time.
