III. REQUIREMENTS AND EXPECTATIONS FOR GRANTEES

B. Insurance

The County requires that contractors carry \$1,000,000 in liability insurance (\$2,000,000 aggregate). The County must be named as an additional insured, and specific language must be included on the signed endorsement to the policy. The required insurance coverage requirements include automobile insurance and is described in the County of Marin's Standard Professional Services Contract, attached hereto as Attachment D. Prior to submitting a proposal, it is strongly suggested that applying entities be certain of the ability to secure this insurance and the additional insured endorsement if they are awarded the contract. The County reserves the right to impose additional insurance requirements based on the type of service delivered, examples include but are not limited to cybersecurity liability insurance or sexual misconduct and molestation liability.

Insurance can be waived in some instances by submitting Exhibit C – attached to a Professional Services Contract. Some valid reasons for waiving insurance include:

- No employees/ sole contractor – Workers Comp can be waived
- Not driving on county business or on county property – Auto Insurance can be waived
- Not a certified/ licensed "professional" – certain professional liability can be waived

Cybersecurity Insurance Requirement:

Cyber Insurance, with limits not less than \$2,000,000 per occurrence or claim, \$2,000,000 aggregate. Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by Consultant in this agreement and shall include, but not be limited to, claims involving security breach, system failure, data recovery, business interruption, cyber extortion, social engineering, infringement of intellectual property, including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, and alteration of electronic information.
