STATEMENT OF CANDIDATE FOR
United States Representative, District 2

JARED HUFFMAN

Occupation: U.S. Representative, District 2

Education and Qualifications: I'm fighting back against a President who is failing and fleecing the American people.

Families are struggling with soaring costs — groceries, gas, electricity, healthcare, housing — and this administration not only refuses to help, they're making things worse.

The senseless war in Iran is costing lives and driving up prices. Tariffs and trade wars hit every family with thousands in added costs. Attacks on Medicaid and the Affordable Care Act are devastating hospitals and community clinics and sending healthcare premiums through the roof.

Meanwhile, the President stokes culture wars and chaos to distract from the outrageous ways he's spending your tax dollars: massive giveaways to billionaires and big corporations, vanity projects like his $600 million ballroom, appalling corruption and self enrichment schemes, and ICE's brutal, lawless mass deportation program.

Congress must have the clarity and courage to put families first by lowering costs, saving healthcare, rooting out corruption, and holding this administration accountable. I'm fighting for all that, and more.

As Ranking Member of the Natural Resources Committee, I'm leading efforts to block offshore drilling, protect public lands, and strengthen wildfire resilience. I've worked across the aisle to secure disaster relief, increase special education funding, and force transparency in the Epstein coverup. I've secured millions in new funding for local health clinics, affordable housing, water supply, flood control, and other critical community needs.

My commitment is to confront this administration's cruelty and corruption, defend democracy, and keep getting real results even when politics are tough.

I'd be honored by your vote.

DECLARACIÓN DE CANDIDATURA PARA
Representante de los Estados Unidos – Distrito 2

JARED HUFFMAN

Ocupación: Representante de los EE.UU.

Educación y calificaciones: Lucho contra un presidente que está defraudando y estafando al pueblo estadounidense.

Las familias están luchando para hacer frente al aumento desmedido de los costos —los alimentos, la gasolina, la electricidad, la atención médica y la vivienda— y esta administración no solo se niega a ayudar, sino que está empeorando las cosas.

La absurda guerra en Irán está costando vidas y aumentando los precios. Los aranceles y las guerras comerciales afectan a todas las familias con miles de dólares en costos adicionales. Los ataques a Medicaid y a la Ley de Cuidado de Salud a Bajo Precio están devastando hospitales y clínicas comunitarias y ocasionando que las primas de seguro de salud se disparen.

Mientras tanto, el presidente aviva guerras culturales y siembra el caos para generar distracción en cuanto a las formas escandalosas en que gasta los impuestos de los contribuyentes: enormes beneficios a multimillonarios y grandes corporaciones, proyectos faraónicos como un salón de fiestas de 600 millones de dólares, una corrupción espantosa y maniobras de enriquecimiento personal, además del brutal e ilegal programa de deportación masiva del Servicio de Inmigración y Control de Aduanas (ICE).

El Congreso debe tener la claridad y el valor para darles prioridad a las familias, reduciendo costos, ahorrando en atención médica, erradicando la corrupción y exigiendo que esta administración rinda cuentas. Lucho por todo eso y más.

Como miembro de mayor rango del Comité de Recursos Naturales, encabezo los esfuerzos para bloquear la perforación petrolera en alta mar, proteger nuestras tierras públicas y fortalecer la resiliencia ante incendios forestales. He trabajado con miembros del partido contrario para obtener ayuda en casos de desastre, aumentar el financiamiento para la educación especial y exigir transparencia en el encubrimiento del caso Epstein. He conseguido millones en nuevo financiamiento para clínicas de salud locales, viviendas de precio accesible, suministro de agua, control de inundaciones y otras necesidades comunitarias críticas.

Mi compromiso es hacerle frente a la crueldad y corrupción de esta administración, defender la democracia y seguir obteniendo resultados reales incluso cuando el panorama político sea difícil.

Sería un honor contar con su voto.

State Senator, 2nd District

DAMON CONNOLLY

Occupation: California State Assemblymember and Chair, Assembly Select Committee on Wildfire Prevention

Education and Qualifications: I've spent the last 25 years defending the North Bay, previously serving as a Marin County Supervisor, School Board President, and Vice Mayor. I'm running for Senate because we need determined, proven leadership to navigate these challenging times.

My signature achievements in the State Assembly include a landmark climate bond that invested billions in wildfire and drought mitigation, reforms that make air cleaner near schools and daycares, and major local investments in affordable housing. I also authored a bipartisan wildfire home insurance law, AB 1, that will deliver relief to homeowners who invest in home hardening. I'm currently working on legislation to clamp down on corporate tax loopholes that benefit the world's largest corporations at California taxpayers' expense.

My priorities are North Bay priorities: climate action, health care affordability, reproductive rights, smart solutions to address our housing and homelessness crises, and protections for vulnerable communities, including immigrants.

I'm proud to be endorsed by U.S. Senators Adam Schiff and Alex Padilla, Attorney General Rob Bonta, civil rights hero Dolores Huerta, Congressmembers Jared Huffman and Mike Thompson, former Congresswoman Lynn Woolsey, State Senator Mike McGuire, Assemblymember Chris Rogers, Sierra Club, California Environmental Voters, California Professional Firefighters, California Nurses Association, National Union of Healthcare Workers, California Teachers Association, SEIU California, Santa Rosa Metro Chamber, Novato Chamber of Commerce, every Marin County Supervisor, Marin County's District Attorney, Sheriff, and Superintendent of Schools, and more than 130 District 2 Supervisors, Mayors, and Vice Mayors past and present. I respectfully ask for your vote.

Senador estatal, 2.º Distrito

DAMON CONNOLLY

Ocupación: Miembro de la Asamblea Estatal de California y Presidente del Comité Selecto de la Asamblea sobre Prevención de Incendios Forestales

Educación y calificaciones: He dedicado los últimos 25 años defendiendo North Bay, anteriormente me desempeñé como supervisor del condado, presidente de la junta escolar y vicealcalde. Me postulo para el Senado porque necesitamos un liderazgo firme y con experiencia comprobada para afrontar estos tiempos difíciles.

Mis logros más destacados en la Asamblea Estatal incluyen un histórico bono climático que invirtió miles de millones en la mitigación de incendios forestales y sequías, reformas que hacen que el aire sea más limpio cerca de escuelas y guarderías, e importantes inversiones locales en materia de vivienda de precio accesible. También redacté una ley bipartidista sobre seguros de vivienda frente a incendios forestales, AB 1, la cual proporcionará alivio a los propietarios que invierten en el reforzamiento de sus hogares. Actualmente estoy trabajando en legislación destinada a poner freno a las lagunas fiscales corporativas que benefician a las corporaciones más grandes del mundo a expensas de los contribuyentes de California.

Mis prioridades son las prioridades de North Bay: tomar medidas frente al cambio climático, hacer que la atención médica sea más asequible, proteger los derechos reproductivos, implementar soluciones eficaces para abordar las crisis de vivienda y de personas sin hogar, y proteger a las comunidades vulnerables, incluidos los inmigrantes.

Me enorgullece contar con el respaldo de los senadores de EE. UU. Adam Schiff y Alex Padilla; del fiscal general Rob Bonta; de la defensora de los derechos civiles Dolores Huerta; de los congresistas Jared Huffman y Mike Thompson; de la excongresista Lynn Woolsey; del senador estatal Mike McGuire; del asambleísta Chris Rogers; del Sierra Club, California Environmental Voters, la Asociación de Bomberos Profesionales de California, la Asociación de Enfermeros de California, el Sindicato Nacional de Trabajadores de la Salud, la Asociación de Maestros de California, SEIU California, la Cámara de Comercio Metropolitana de Santa Rosa y la Cámara de Comercio de Novato; de todos los supervisores del condado de Marin; del fiscal de distrito, el alguacil y el superintendente de escuelas del condado de Marin; y de más de 130 supervisores, alcaldes y vicealcaldes actuales y anteriores del Distrito 2. Le pido respetuosamente su voto.

JACKIE ELWARD

Occupation: Educator and City Councilwoman

Education and Qualifications: When I fled political violence in the Democratic Republic of Congo as a young woman, I could never have imagined the life of public service I live now. I am running for the Assembly to bring bold leadership on climate policy, homelessness, education, and affordability.

My work on these issues is why I'm endorsed by Assemblymember Damon Connolly, Congressman Mike Thompson, former Congresswoman Lynn Woolsey, and over 100 elected officials.

Through my leadership, Rohnert Park has built new housing, stopped urban sprawl, and reduced homelessness by 60%. I've worked at the local level to ensure we have a well-resourced fire department that is prepared for the worst-case wildfire scenarios. I'm endorsed by California Professional Firefighters and Marin Professional Firefighters, who trust me to lead in times of crisis and to strengthen emergency response.

I oversee the delivery of renewable energy to thousands of homes and businesses as Vice-Chair of Sonoma Clean Power. I'll author a moratorium on building new AI data centers in California.

I'll work to improve funding, resources and standards at our schools, and protect community colleges from drastic cuts. I'm endorsed by all four statewide teacher, staff and faculty unions. I pledge to move California toward a universal healthcare system and protect access to abortion and family planning, and I'm proud to have the support of the California Nurses Association.

I'm endorsed by California Young Democrats, National Union of Healthcare Workers, California Teachers Association, California School Employees Association, and dozens more labor, environmental, and social justice groups.

Miembro de la Asamblea Estatal, Distrito 12

JACKIE ELWARD

Ocupación: Educadora y Concejala Municipal

Educación y calificaciones: Cuando, siendo aún joven, huí de la violencia política en la República Democrática del Congo, nunca hubiera imaginado la vida dedicada al servicio público que llevo ahora. Me postulo para la Asamblea con el fin de aportar un liderazgo enérgico en materia de política climática, personas sin hogar, educación y asequibilidad.

Mi trabajo en estos temas es la razón por la que cuento con el respaldo del asambleísta Damon Connolly, el congresista Mike Thompson, la excongresista Lynn Woolsey y más de 100 funcionarios electos.

Gracias a mi liderazgo, Rohnert Park ha construido nuevas viviendas, ha frenado la expansión urbana descontrolada y ha reducido la población sin hogar en un 60%. Member State Assembly, District 12

ERIC LUCAN **Age:** 45

Occupation: Marin County Supervisor and Small Business Owner

Education and Qualifications: For over two decades, I've served our community, my hometown, and the region I love—from soccer coach, youth director, and volunteer chaplain to Parks Commissioner, City Councilmember, three-time Mayor, and now County Supervisor.

As a small business owner with my wife and as the former Chief Marketing Officer of Mike's Bikes, I bring real-world experience creating jobs, growing businesses, and strengthening our local economy. As a parent of young children, I'm focused on the basics: quality schools, affordable healthcare, and lowering utility costs.

I've delivered results. I advanced new housing opportunities, including affordable homeownership with Habitat for Humanity, studios for transitional-age foster youth with the Marin Foster Care Association, and workforce and veteran housing with Homeward Bound. By prioritizing permanent housing with wraparound services to address homelessness, we've reduced the North Bay's largest encampment by two-thirds.

As a SMART Board Director, I helped launch and expand SMART, including free fares for youth and seniors. As a Marin Transportation Commissioner, I leveraged local dollars to widen the Marin-Sonoma Narrows and fixed the HOV hours. I've raised local wages for our lowest-paid workers, including in-home caregivers supporting older adults and vulnerable residents. I also secured a low-interest loan to increase capacity at North Bay Children's Center. As a First 5 Commissioner, I've advocated for affordable, accessible childcare.

My Sacramento priorities will remain affordability, climate resilience, economic opportunity, delivering resources to North Bay communities, and protecting Democracy.

I'm supported by Congressman Jared Huffman, Marin Supervisors Mary Sackett, Brian Colbert, and Stephanie Moulton-Peters, Marin County Superintendent of Schools John Carroll, and over 100 current and former Supervisors, Mayors, Councilmembers, College and School District Trustees, and more. I'd be honored to earn your vote.

DECLARACIÓN DE CANDIDATURA PARA LA
Miembro de la Asamblea Estatal, Distrito 12

ERIC LUCAN **Edad:** 45

Ocupación: Supervisor del Condado de Marin y propietario de una pequeña empresa

Educación y calificaciones: Durante más de dos décadas, he prestado servicio a nuestra comunidad, a mi ciudad natal y a la región que tanto amo; he sido entrenador de fútbol, director de actividades juveniles y capellán voluntario, así como comisionado de parques, concejal municipal, alcalde en tres ocasiones y, actualmente, supervisor del condado.

Como propietario de una pequeña empresa junto con mi esposa, y como antiguo director de mercadotecnia de Mike's Bikes, aporto experiencia práctica en la creación de empleos, el crecimiento empresarial y el fortalecimiento de nuestra economía local. Como padre de niños pequeños, me concentro en lo esencial: escuelas de calidad, atención médica accesible y reducción de los costos de los servicios públicos.

He obtenido resultados. He promovido nuevas oportunidades de vivienda, entre las que se incluyen viviendas asequibles para la adquisición de vivienda propia con Habitat for Humanity, apartamentos para jóvenes de crianza temporal en edad de transición con la Asociación de Crianza Temporal de Menores de Marin, y viviendas para trabajadores y veteranos de las fuerzas armadas con Homeward Bound. Al dar prioridad a la vivienda permanente con servicios integrales para hacer frente a la falta de hogar, hemos reducido en dos terceras partes el campamento más grande de North Bay.

Como director de la junta directiva de SMART, contribuí al lanzamiento y la expansión de SMART, incluyendo la implementación de tarifas gratuitas para jóvenes y personas mayores. En mi calidad de comisionado de transporte de Marin, aproveché los fondos locales para ampliar Marin-Sonoma Narrows y ajusté el horario de los carriles para vehículos con más de un ocupante (HOV). He aumentado los salarios locales de nuestros trabajadores con remuneraciones más bajas, incluidos los cuidadores a domicilio que brindan asistencia a personas mayores y a residentes vulnerables. Además, conseguí un préstamo a bajo interés para ampliar la capacidad del Centro Infantil de North Bay. Como comisionado de First 5, he defendido un servicio de guardería asequible y accesible.

Mis prioridades en Sacramento seguirán siendo la asequibilidad, la resiliencia climática, las oportunidades económicas, la dotación de recursos para las comunidades de North Bay y la protección de la democracia.

Cuento con el apoyo del congresista Jared Huffman, de los miembros de la junta de supervisores del condado de Marin Mary Sackett, Brian Colbert y Stephanie Moulton-Peters, del superintendente escolar del condado de Marin John Carroll, y de más de 100 supervisores, alcaldes, concejales, miembros de juntas directivas de universidades y distritos escolares, tanto en funciones como retirados, entre otros. AVERY LIEBERMAN

Occupation: Dentist/Inventor/Parent

Education and Qualifications: DDS, UCLA School of Dentistry; B.A., UC Santa Barbara; UCSF Assistant Clinical Professor, Patent holder dental inventions; WestAmerica Bank Advisory Board; Board of Directors Marin Family Services Agency; Commissioner, Tiburon Peninsula Little League

I've lived in Tiburon for 30+ years. My children attended Reed Schools and Redwood High; I've coached kids' sports. I know the educational system and want to preserve what we've had. I will focus on educational excellence, and reverse the decline in Marin's test scores and student outcomes.

I won't take money for myself like many Marin County Board of Education trustees have done over decades. Millions were squandered paying their personal health insurance costs while children graduate unable to read. These funds could be used instead toward intensive reading intervention programs.

One trustee's annual health insurance costs up to $55,000 for a position requiring as few as 36 hours annually. Unsurprisingly, Trustees stay for decades.

Mill Valley School District parents had to raise money to fund Transitional Kindergarten while MCBOE "sat on" $50 million reserves and offered no help.

Marin County Board of Education needs new priorities, Trustees must stop taking money for personal use, dedicate it to student needs and specialized programs.

Vote for change. I respectfully request your vote.

MARILYN NEMZER

Occupation: Educational Administrator

Education and Qualifications: As a former teacher and school counselor and a longtime Trustee on the Marin County Board of Education, I have one guiding principle: helping every student succeed.

Today, with a majority of our County Board members still serving their first term, I provide continuity and perspective, as well as experienced judgment.

I helped found Marin's Efficiency and Effectiveness Collaborative, bringing trustees and superintendents together to expand shared services and use taxpayer dollars wisely. As an officer of the Marin County School Boards Association, I help plan trainings and events for Marin's school board members.

I have a record of championing programs that help students thrive – supporting students with special needs, fostering literacy, preparing students for college and careers, providing alternative education programs, promoting environmental education, and strengthening student wellness and mental health.

Service to children has been my life's work. For over 30 years, I served as the volunteer director of The Book Exchange, which I founded, donating thousands of hours to provide more than 25,000 free books each year to 2,000 under-resourced children in Marin.

I respectfully ask for your vote so I can continue serving Marin County's students, families, and schools.

LESLIE J. HARLANDER

Occupation: Retired Civil Engineer

Education and Qualifications: As a former board member of the Tamalpais Union High School District, I have firsthand experience with what a high functioning board and district require. I understand our district's history, the challenges it has faced and what has – and has not – worked. Experience gave me the most vital quality to do this work: perspective. Perspective is essential when making thoughtful decisions affecting students, families, teachers, and our community.

My professional expertise as an engineer and retired critical care nurse furthers my capacity to analyze complex issues, collaborate, and listen. As a 40-year Marin resident and parent of Tamalpais High School graduates, my service is driven by a deep commitment to public education.

We must run this district the way our students, families, teachers, and taxpayers deserve: with fiscal responsibility, professionalism, collaboration, and respect. Students' well-being and educational experience must remain at the center of every decision.

Our schools face complex challenges, and I am well positioned to help find solutions that give every student the strongest educational experience possible. I am committed to excellence, best practices, and renewing the joy of teaching and learning—because a student's experience begins and ends with our teachers.

I would be honored to earn your vote.

VALERIE WYNN

Occupation: Former TUHSD Teacher

Education and Qualifications: Students come first. That understanding has carried me through my adult life as a history teacher at Archie Williams for nearly a decade, as a mother of two Tam District graduates, and now, as I ask for your vote.

Every student learns differently, and each one deserves the opportunity and resources to reach their potential. I saw in my classrooms what it takes for students to succeed, not just academically, but socially and emotionally. Our students deserve a well-run district, committed to the best care and instruction possible.

As a Board member, I will insist that our policies support substantive learning for every student. Before teaching, I worked as a government attorney representing public boards and agencies of San Francisco. That work taught me what it means to serve the public with openness and respect for our community's concerns.

Fiscal accountability remains a pressing issue for the district. Some choices won't be easy, but I will consider all perspectives, weighing every decision's impact on our students, fairness, and our teachers' ability to do their best work.

Our district has strengths to build upon; I am committed to helping create the strongest possible schools for all students to learn and thrive.

Miembro de la Junta Directiva

LESLIE J. HARLANDER

Ocupación: Ingeniera civil retirada

Educación y calificaciones: Como exmiembro de la junta directiva del Distrito Escolar Tamalpais Union High, tengo experiencia de primera mano sobre lo que requiere una junta y un distrito de alto rendimiento. Entiendo la historia de nuestro distrito, los desafíos que ha enfrentado y lo que ha funcionado – y lo que no. La experiencia me brindó la cualidad más vital para realizar este trabajo: la perspectiva. La perspectiva es esencial al tomar decisiones reflexivas que afectan a los estudiantes, las familias, los maestros y nuestra comunidad.

Mi experiencia profesional como ingeniera y enfermera de cuidados intensivos retirada amplía mi capacidad para analizar problemas complejos, colaborar y escuchar. Como residente de Marin desde hace 40 años y madre de egresados de la Tamalpais High School, mi labor está guiada por un profundo compromiso con la educación pública.

Debemos administrar este distrito de la manera que nuestros estudiantes, familias, maestros y contribuyentes merecen: con responsabilidad fiscal, profesionalismo, colaboración y respeto. El bienestar de los estudiantes y su experiencia educativa deben permanecer en el centro de cada decisión.

Nuestras escuelas enfrentan desafíos complejos, y estoy en una posición adecuada para ayudar a encontrar soluciones que le brinden a cada estudiante la experiencia educativa más sólida posible. Estoy comprometida con la excelencia, las mejores prácticas y renovar la alegría de enseñar y aprender, porque la experiencia del estudiante comienza y termina con nuestros maestros.

VALERIE WYNN

Ocupación: Exprofesora de TUHSD

Educación y calificaciones: Los estudiantes son lo primero. Esa convicción me ha acompañado a lo largo de mi vida adulta como profesora de historia en Archie Williams durante casi una década, como madre de dos graduados del Distrito Tam, y ahora, al solicitar su voto.

Cada estudiante aprende de manera diferente, y cada uno merece la oportunidad y los recursos para alcanzar su potencial. En mis clases, pude ver qué necesitan los estudiantes para tener éxito, no solo en lo académico, sino también en el ámbito social y emocional. Nuestros estudiantes merecen un distrito bien gestionado, comprometido con la mejor atención e instrucción posible.

Como miembro de la Junta, insistiré en que nuestras políticas apoyen un aprendizaje significativo para cada estudiante. Antes de enseñar, trabajé como abogada del gobierno representando a juntas y agencias públicas de San Francisco. Ese trabajo me enseñó lo que significa servir al público con apertura y respeto por las preocupaciones de nuestra comunidad.

La responsabilidad fiscal sigue siendo un tema urgente para el distrito. Algunas decisiones no serán fáciles, pero consideraré todas las perspectivas, sopesando el impacto de cada decisión en nuestros estudiantes, la equidad y la capacidad de nuestros docentes para realizar su mejor trabajo.

Nuestro distrito cuenta con fortalezas sobre las cuales construir; estoy comprometida a ayudar a crear las mejores escuelas posibles para que todos los estudiantes puedan aprender y prosperar.

JOY SCULLY KOO

Occupation: Community Advocate / Parent

Education and Qualifications: I'm running for the TUHSD board because I have the skills, integrity, and professional background to make student-centered, financially sound decisions - with genuine consideration for public input.

As an engineer and program leader, I spent 20 years managing complex high-dollar client relationships, guiding teams through change, and solving difficult problems under pressure.

For the past 10 years, I've leveraged these skills to serve on the MVSD Measure G Citizens Bond Oversight Committee, Tam High Site Council (elected twice), PTSA Boards, Tam Union's Measure B Campaign, and as lead for the 2026 Marin Youth Job Fair.

A parent of three students and dedicated volunteer, I've seen how the Board's recent decisions have impacted our most vulnerable students. Through 1,000+ hours of service, I've also witnessed what's possible when students are inspired and supported to do hard things.

Our district faces real challenges: a structural deficit, a persistent achievement gap, rising special education costs, and rapidly changing technologies. These demand fiscal discipline, multi-year planning, and a board that governs with the civility, empathy, and collaboration we expect of our graduates.

I will listen first, advocate for our most vulnerable students, support our teachers, and ensure rigorous learning opportunities for all.

Ocupación: Defensora de la comunidad / Madre

Educación y calificaciones: Me postulo para formar parte de la junta del TUHSD porque tengo las habilidades, la integridad y la experiencia profesional para tomar decisiones centradas en los estudiantes y financieramente sólidas, tomando en cuenta genuinamente las opiniones de la comunidad.

Como ingeniera y líder de programas, pasé 20 años gestionando relaciones complejas con clientes de alto valor, guiando equipos a través del cambio y resolviendo problemas difíciles bajo presión.

Durante los últimos 10 años, he puesto estas habilidades al servicio de la comunidad como miembro del Comité Ciudadano de Supervisión del Bono de la Medida G del MVSD, del Consejo Escolar de Tam High (elegida en dos ocasiones), de las juntas directivas de la PTSA y de la campaña de la Medida B de Tam Union, así como coordinadora de la Feria de Empleo Juvenil de Marin 2026.

Como madre de tres estudiantes y voluntaria dedicada, he observado cómo las decisiones recientes de la Junta han afectado a nuestros estudiantes más vulnerables. A través de más de 1000 horas de servicio, también he sido testigo de lo que es posible cuando los estudiantes se sienten inspirados y apoyados para realizar tareas difíciles.

Nuestro distrito enfrenta desafíos reales: un déficit estructural, una brecha persistente en el rendimiento académico, el aumento de los costos de la educación especial y tecnologías que cambian rápidamente. Esto exige disciplina fiscal, planificación a varios años y una junta directiva que ejerza su función con la civilidad, la empatía y la colaboración que esperamos de nuestros egresados.

Primero escucharé, abogaré por nuestros estudiantes más vulnerables, apoyaré a nuestros maestros y garantizaré oportunidades de aprendizaje rigurosas para todos.

BRIAN A. SUTHERLAND **Age:** 51

Occupation: Constitutional Lawyer / Parent

Education and Qualifications: From California to the U.S. Supreme Court, I have served as a lawyer for governments, universities, and Fortune 100 companies. Now, with two kids in our Tam District high schools, I want to represent this community.

I have long advocated for our public institutions, partnering with leading democracy organizations to protect voting rights, limit money in politics, and check presidential overreach. I have successfully challenged partisan gerrymanders and helped the American Federation of Teachers stop the release of Social Security data. I fight for more representative government, and will bring that experience to the school board.

As a member of the school board, I will champion our students and teachers. As AI and phones transform our economy and politics, I will work to protect students' attention and critical thinking, so they use technology instead of technology using them. I will address structural budget deficits, support academic excellence, and listen to the community with respect, even when we disagree.

Outside of professional life, I'm a pickup basketball player, weekend mountain biker, day hiker, and above all, a dad who wants every student in this district to graduate prepared, supported, and excited about the future.

CYNTHIA C. ROENISCH

Occupation: Incumbent

Education and Qualifications: I am an experienced school trustee (8 years in the Tam District and 13 in Kentfield), AP English teacher, and former Fortune 100 litigator. I have always insisted on heightened academic rigor and achievement for all students, stabilized TUHSD finances, aligned spending with revenue, and kept staff the highest paid in Marin County. As Board President I led the search to hire Superintendent, Dr. Courtney Goode.

Under Dr. Goode CAASPP scores, graduation rates, and a-g eligibility (preparation for a four year college) increased. We are saving $1.5 million annually through coordination of the alternative education programs beginning in the 2026-27 school year. Following the neuroscience regarding best learning strategies and heightened student emotional well-being, we are instituting a phone free learning environment for 2026-27. Adoption of Renaissance Learning assessments will better inform students, parents and teachers of progress towards grade level math, reading and writing standards.

In an uncertain economy, with decreased revenue and increased expenses, and a shrinking entry level job market, it is crucial a trustee maintain high expectations for academic rigor and make fiscally responsible choices on an annual $137 million dollar budget to enhance the education and post high school opportunities for all 4200 students. Experience matters. I am that trustee.

DECLARACIÓN DE CANDIDATURA PARA LA

BRIAN A. SUTHERLAND **Edad: 51**

Ocupación: Abogado constitucionalista / Padre

Educación y calificaciones: Desde California hasta la Corte Suprema de los Estados Unidos, he ejercido como abogado para gobiernos, universidades y empresas del Fortune 100. Ahora, con dos hijos en las escuelas secundarias de nuestro distrito de Tam, deseo representar a esta comunidad.

Durante mucho tiempo, he defendido a nuestras instituciones públicas, colaborando con destacadas organizaciones de defensa de la democracia para proteger el derecho al voto, limitar la influencia del dinero en la política y controlar los excesos del poder presidencial. He impugnado con éxito los distritos electorales partidistas y he ayudado a la Federación Estadounidense de Maestros a impedir la divulgación de datos de la Seguridad Social. Lucho por un gobierno más representativo y aportaré esa experiencia a la junta escolar.

Como miembro de la junta escolar, seré un defensor de nuestros estudiantes y maestros. A medida que la inteligencia artificial y los teléfonos transforman nuestra economía y política, trabajaré para proteger la atención y el pensamiento crítico de los estudiantes, de modo que ellos utilicen la tecnología en lugar de que la tecnología los utilice a ellos. Abordaré los déficits estructurales del presupuesto, apoyaré la excelencia académica y escucharé a la comunidad con respeto, incluso cuando no estemos de acuerdo.

Fuera de mi vida profesional, juego básquetbol con amigos, practico ciclismo de montaña los fines de semana, hago caminatas de un día y, por encima de todo, soy papá y quiero que cada estudiante de este distrito se gradúe preparado, respaldado y entusiasmado por el futuro.

I co-founded Rock Marin to support music education in Marin County and I bring that same hands-on, get-it-done approach to city government.

As a father raising my three kids here, I've cherished the incredible people of this town and its rich history and character. Larkspur needs council members who listen first and turn plans into action.

My priorities: Conservation and Climate Resiliency. Supporting local and small businesses. Strengthening our incredible schools. Revitalizing dormant commercial space and holding corporate landlords accountable. Housing solutions that fit Larkspur's character while addressing shortages and affordability. A city hall that communicates openly with every resident.

I've spent my career solving hard problems and delivering results under pressure. I'm not a career politician; I'm your neighbor, with the time and experience to get things done. Larkspur raised my family.

I'd be honored to earn your vote.

BRIAN H. JAFFE **AGE:** 42

Occupation: Homebuilder, Energy Consultant

Education and Qualifications: Larkspur residents should be at the center of every decision at City Hall. Whether you're redoing your home, starting a business, or playing pickleball at Piper Park, seeing you thrive should be city government's #1 priority. That's not the case today. City Hall is obsessed with process, not results. Five boards and commissions touch housing, but rents keep going up. The Lucky supermarket is still vacant. We built a new library, but it isn't open most of the weekend or evenings.

We need a culture change at City Hall. The era of closed doors, unreturned emails, delayed inspections, and 300-page reports that accomplish nothing must end. The era of service-first local government with you at the center must begin.

I'm a former Naval Officer and civic tech founder, and a current clean energy consultant and independent homebuilder. I work with local governments weekly and understand how they function. I'm also an outsider who sees the many ways government must improve.

My wife and I are raising three young children in Larkspur. We love this community and want it to remain an amazing town throughout our lifetimes, and theirs. Please join me in putting Larkspur residents back at the center of City Hall.

Ocupación: Presidente de organización sin fines de lucro, padre

Educación y calificaciones: Después de 27 años construyendo y liderando equipos de tecnología, incluyendo una década en Salesforce y, más recientemente, como ejecutivo en Vertafore, me retiré para dedicar toda mi atención a esta comunidad. Co-fundé Rock Marin para apoyar la educación musical en el condado de Marin y aporto ese mismo enfoque práctico y resolutivo al gobierno municipal.

Como padre que cría a sus tres hijos aquí, valoro profundamente a las personas increíbles de este pueblo y su rica historia y carácter. Larkspur necesita miembros del Concejo que escuchen primero y conviertan los planes en acción.

Mis prioridades: Conservación y resiliencia climática. Apoyo a los negocios locales y pequeños. Fortalecer nuestras increíbles escuelas. Revitalizar los espacios comerciales en desuso y exigir responsabilidad a los propietarios corporativos. Soluciones de vivienda que se ajusten al carácter de Larkspur, abordando al mismo tiempo la escasez y la asequibilidad. Un Ayuntamiento que se comunique abiertamente con cada residente.

He dedicado mi carrera a resolver problemas complejos y a obtener resultados bajo presión. No soy un político de carrera; soy su vecino con el tiempo y la experiencia para lograr que las cosas se hagan. Larkspur crió a mi familia.

BRIAN H. JAFFE **Edad:** 42

Ocupación: Constructor de viviendas, consultor energético

Educación y calificaciones: Los residentes de Larkspur deben estar en el centro de cada decisión en el Ayuntamiento. Ya sea que esté renovando su hogar, iniciando un negocio o jugando pickleball en Piper Park, verlo prosperar debe ser la prioridad número uno del gobierno de la ciudad. En la actualidad, ese no es el caso. El Ayuntamiento está obsesionado con el proceso, no con los resultados. Cinco juntas y comisiones están relacionadas con la vivienda, pero los alquileres siguen aumentando. El supermercado Lucky aún está vacío. Construimos una nueva biblioteca, pero no está abierta la mayor parte del fin de semana ni por las noches.

Necesitamos un cambio cultural en el Ayuntamiento. La era de puertas cerradas, correos electrónicos sin respuesta, inspecciones retrasadas e informes de 300 páginas que no logran nada debe terminar. Debe comenzar la era del gobierno local orientado al servicio, con usted en el centro.

Soy un exoficial naval y fundador de tecnología cívica, y actualmente consultor en energía limpia y constructor independiente de viviendas. Trabajo con gobiernos locales semanalmente y comprendo cómo funcionan. También soy un externo que observa las muchas formas en que el gobierno debe mejorar.

Mi esposa y yo estamos criando a tres niños pequeños en Larkspur. Amamos esta comunidad y deseamos que siga siendo una ciudad maravillosa a lo largo de nuestras vidas y de las suyas. Por favor, únase a mí para volver a poner a los residentes de Larkspur en el centro del gobierno municipal.

Education and Qualifications: I ran for Larkspur City Council in 2024 as a citizen who wanted to make a positive impact in our community. For the last 3 years, I've worked for you: cutting red tape and waste, increasing government accountability, and prioritizing climate action. As Mayor, I helped open our new library, expanded pickleball access and brought The Farm Stand to Magnolia Avenue, reinvigorating our downtown.

I discovered that Serenity, one of Larkspur's largest apartment properties, was failing its residents while not paying property taxes. I fought the owners and brought this major asset back into our tax base, contributing $2+ million in taxes/year.

As a board director on Marin Clean Energy, I stand up for ratepayers, denouncing weak oversight, poor financial performance and misleading climate claims. Our work has unseated the CEO and cut rates, reducing your electric bills while paving the way for more accountable leadership.

COUNTY

CHILD CARE INITIATIVE

MEASURE P

Shall the Marin County Child Care Initiative be adopted to levy a special parcel tax of 5 cents per building square foot, generating approximately $12.5 million annually for fifteen years, to fund affordable childcare and high-quality early childhood education and improve compensation to retain and attract educators, with public disclosure, optional annual inflation adjustments, and a corresponding increase in the County appropriations limit, with all funds used locally in Marin County?

◯ YES ◯ NO

IMPARTIAL ANALYSIS BY COUNTY COUNSEL

COUNTY OF MARIN
MEASURE P

This Measure was placed on the ballot following submission of a voter initiative petition containing the number of signatures required by law.

Because Measure P was placed on the ballot through the initiative process, it will be adopted if approved by a majority of the votes cast in this election. If it is adopted, the County of Marin will levy a parcel tax beginning the first full fiscal year after the effective date. The Measure will remain in effect for fifteen years from the beginning of the parcel tax. The initial rate of the parcel tax shall be $0.05 per square foot of structural improvements, with no more than 100,000 square feet per parcel subject to the tax. "Structural improvements" is defined as the square footage of building floor area on a parcel. Beginning with the second fiscal year in which the tax is in effect, the Board of Supervisors may annually adjust the tax in accordance with the Consumer Price Index for All Urban Consumers for the San Francisco-Oakland-Hayward area. The County of Marin estimates revenue from this Measure will average approximately $12,500,000 annually.

The revenue raised by this parcel tax must be placed in a special account and can only be used for the purposes stated in this Measure. The stated purposes for the funds raised by this special tax include increasing access to child care, preschool and early education services to benefit low- and middle-income children and families of Marin County; improving wages for child-care providers who provide those services; developing, maintaining, upgrading, and expanding early-care and education facilities; and administrative expenses up to 5% of annual Fund proceeds. The Measure restricts the use of tax proceeds to replace certain existing funding for child care and early education.

Responsibility for developing, administering, and overseeing the programs and services paid for by the parcel tax revenue will belong to the Marin County Children and Families Commission ("Commission"), a nine-member commission whose members the Board of Supervisors appoints. The Commission will develop a five-year program plan and budget, and allocate the funds from the parcel tax, which the Board of Supervisors must appropriate annually.

Measure P additionally creates an eleven-member Advisory Council to develop recommendations for the Commission regarding the five-year plan, annual expenditures, and implementation of the Measure. The Board of Supervisors will appoint the Advisory Council members. Measure P requires the Marin County Board of Supervisors to provide for an annual independent financial audit of the parcel tax fund, which the Advisory Council must review.

The Commission will evaluate the effectiveness of the five-year plan and provide staff support for the Advisory Council, and may contract with other entities and consult with outside experts in administering the Measure.

ARGUMENT IN FAVOR OF MEASURE P

A child's earliest years are among the most important for brain development. The experiences children have during this critical period help shape how they learn, grow, communicate, and can determine whether they succeed in school and throughout life.

But in Marin, too many families cannot find or afford quality early childhood education. 52% of Marin children ages 0–12 with working parents lack access to licensed preschool. Long waiting lists and high costs force parents to reduce their work hours, turn down opportunities, or leave the workforce altogether.

Voting YES on Measure P is an investment in our children — and in Marin's economic future.

Measure P will make high-quality early childhood education more affordable, create more child care spaces, and help attract and retain qualified child care educators. That means more children will have access to safe, high-quality early learning experiences that are essential for healthy development and kindergarten readiness.

It also means more parents can work.

Reliable child care helps local businesses recruit and retain employees, strengthens household economic security, and supports a workforce that keeps Marin's businesses, schools, health care system, and senior communities running. Investing in children early pays dividends across our community for years to come.

Every dollar stays in Marin County, with annual independent audits, public reporting, regular evaluations, and strict limits on administrative costs.

That is why Measure P is supported by early childhood educators, elementary school teachers, the League of Women Voters, Congressman Jared Huffman, Senator Mike McGuire, Assemblymember Damon Connolly, all five Marin County Supervisors, the Marin County Democratic Party, and the North Bay Leadership Council.

For healthier children, thriving families, and a stronger local economy, vote YES on Measure P.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE P

Measure P "It's Not Ready for Prime Time"

— Dick Spotswood, Marin IJ Opinion columnist, 8/23/26

Despite its "mom and apple pie" promises, Measure P fails to help Marin residents.

In fact, it isn't designed to solve the childcare affordability crisis in Marin. The only stated goal of Measure P that's measurable is to give carers income "parity" with TK-12 public school teachers. This will increase childcare costs at licensed preschools while driving more parents to leave their kids with unlicensed providers. A few families at undefined middle to low-income levels may benefit from subsidies but there are no guarantees.

Measure P is carefully written to avoid a Marin residency requirement. That means people outside of Marin will benefit from the tax yet Marin property owners will pay for it. Voters shouldn't be tricked into believing that the money will only benefit Marin families.

This new childcare tax is a mandatory cost imposed on hard working Marin families already struggling with their own high childcare costs. The extra burden is even more objectionable because these families will subsidize out-of-county families.

Supporters say reliable childcare helps local businesses "recruit and retain employees." But if childcare is a necessary employee benefit, employers should foot the bill or compensate their employees enough to cover it.

With over half of its reported $778,305 campaign donations coming from outsiders - Washington D.C, Sonoma, Berkeley, and Los Altos - Measure P is using Marin to test voter support for another blank check tax dressed up as a targeted solution.

ARGUMENT AGAINST MEASURE P

VOTE NO ON THE CHILD CARE PARCEL TAX

This measure locks Marin taxpayers into a new 15-year tax with no defined spending rules, no defined eligibility, and no way to judge results.

The tax ordinance proposes three uses for the $12.5 million raised annually - scholarships, worker wage increases, facility development - but sets no required split. Scholarships only "may" be funded; facilities only "as needed." Wage increases alone get a named target: parity with public transitional kindergarten-through-twelfth grade teacher salaries, a goal that could absorb most of the fund.

Eligibility is vague. No income threshold defines "low- and middle-income." Marin residency isn't required for families, children or workers to benefit. Nothing stops tax dollars from subsidizing a childcare slot or wage increase for someone who lives outside Marin.

Measure P might assist some low- and middle-income families on the benefit side, but offers no similar assistance to taxpayers. There are no exemptions for lower-income homeowners or seniors.

Most well-designed tax measures run 8 -10 years; this lets voters judge results when asked to renew. This one runs 15, with no written performance standards in the ordinance - no target number of scholarships, no wage benchmark or date attached to the TK-12 parity goal, no outcome metrics whatsoever - so no way to know if it will work.

Worse, once passed, spending rules will be written by a commission of unelected appointees, so voters can't hold decision makers accountable. And this measure uses the citizen-initiative process requiring only a simple-majority vote, bypassing the two-thirds vote California requires for special taxes.

Fifteen years funding a program that voters can't measure, run by an unelected commission, is too much to ask - especially when there's no guarantee that a single dollar reduces what any Marin family pays for childcare.

REBUTTAL TO ARGUMENT AGAINST MEASURE P

The argument against Measure P was signed by some of Marin's most MAGA extremists. Like their MAGA counterparts across the country, they rely on half-truths (at best) in their attempt to undermine this common-sense local solution for Marin families.

Here are the facts:

Measure P includes strong fiscal safeguards. Every dollar must stay in Marin County and be used for early childhood education and childcare. Administrative costs are strictly limited. All expenditures must be approved by the Marin County Board of Supervisors and annual independent audits, public reporting, regular evaluations, and community oversight will ensure taxpayers can see where the money goes and whether it is working.

And the need is urgent.

Marin families face crushing childcare costs, and too few spaces are available. Parents are forced to cut work hours or leave jobs because they cannot find reliable, affordable care. Childcare educators, the people we trust during the most important years of brain development, are leaving the profession because they cannot afford to live and work here. Local employers struggle to recruit and retain workers when employees cannot find quality, affordable preschool.

Measure P tackles all three problems: making care more affordable for families, expanding the number of childcare spaces, and strengthening the early educator workforce.

That is a smart investment in children, working families, local businesses, and Marin's future.

This is not a partisan issue. Don't let misleading claims stand in the way of a solution our children, families and entire community urgently needs.

CITY / TOWN

CITY OF LARKSPUR

MEASURE S

To maintain rapid 9-1-1 emergency response times and preserve the number of on-duty paramedics ready to respond to accidents/medical emergencies, shall the Ross Valley Paramedic Authority measure be adopted continuing for four years the paramedic services special tax of up to $107.50 / residential living unit or 1,000 square feet of developed nonresidential property, adjusted up to $4.00/ year, generating approximately $834,000 annually, with annual audits, public spending disclosure and all funds for local paramedic services?

◯ YES ◯ NO

IMPARTIAL ANALYSIS BY CITY ATTORNEY
CITY OF LARKSPUR
MEASURE S

The City Council of the City of Larkspur placed Measure S on the November 3, 2026 ballot to ask voters to extend the existing special parcel tax for paramedic services ("tax" or "Paramedic Tax") for an additional 4 years. The tax funds services provided by the Ross Valley Paramedic Authority ("Authority") and will expire on June 30, 2027, unless extended by the voters.

In 1983, the voters of Larkspur, along with the other voters within the boundaries of the Authority, initially approved the Paramedic Tax. Voters have approved extensions and increases in the Paramedic Tax since that time. The Paramedic Tax was last approved by voters in 2022. The current rate of the tax is $103.50 for each residential living unit and for each 1,500 square feet of non-residential developed space, which includes a $0.50 Marin County administrative fee.

Measure S would authorize continuing the Paramedic Tax for another 4 years, until 2031, when it would again have to be renewed by the voters. The Measure would set the rate for the 2027-28 tax year at $107.50 for each taxable living unit and for each 1,000 square feet of non-residential developed space, which would continue to include the $0.50 County administrative fee. It would authorize annual increases of $3.50, with a maximum rate in the fourth year of $118.

As a special tax, the Paramedic Tax is restricted to funding paramedic services, including but not limited to emergency response, training, costs of medical supplies and equipment, and replacement of ambulance transport units.

If Measure S were approved, the Paramedic Tax would terminate automatically after four years, unless extended by a subsequent vote of the voters within the Ross Valley Paramedic Authority.

A "Yes" vote is a vote to approve the extension of the Paramedic Tax for four years and authorize annual increases of up to $4, with a maximum rate not to exceed $118 in the fourth year. A "No" vote is a vote against extension of the Paramedic Tax, which will terminate automatically in June 2027 if not extended. Measure S would be approved if it received a two-thirds majority of "Yes" voters. A copy of the resolution approving the tax is included in the Voter Information Guide.

The above statement is an impartial analysis of Measure S. If you desire a copy of the measure, please call the City Clerk's office at (415) 927-5002 and a copy will be mailed at no cost to you.

City of Larkspur

ARGUMENT IN FAVOR OF MEASURE S

Vote Yes on S to maintain rapid 9-1-1 emergency response times.

Since 1982 the voters of the Ross Valley have overwhelmingly supported local voter-approved funding for paramedic services. Unless renewed by voters, this funding will expire next year and local paramedic services must be reduced.

Voting Yes on S renews local paramedic funding for four more years at the current tax rate with modest annual increases of no more than $4 per year.

Voting Yes on S will:

- Maintain rapid 9-1-1 emergency response times
- Preserve the number of on- duty paramedics ready to respond to accidents and medical emergencies
- Maintain access to lifesaving emergency medical training and equipment for local paramedics

Measure S continues fiscal accountability and local control:

- All funds must stay in the Ross Valley for paramedic services only and cannot be diverted
- No funds can be taken away by the state or federal governments
- Annual audits and public spending disclosure ensure funds are spent as promised

When created 44 years ago, the Ross Valley Paramedic Authority operated a single ambulance. Today, local paramedic care is provided through state-of-the-art paramedic ambulance units with trained paramedics aboard fire engines so that advanced emergency care arrives as quickly as possible.

The Ross Valley Paramedic Authority is a partnership of eight Ross Valley communities that have combined efforts to ensure exceptional emergency medical response for the safety of our communities. While paramedic services are partially funded by collections from insurance companies and billing of nonresidents, the current level of service cannot continue without Measure S.

For victims of heart attacks, strokes, accidents, and other emergencies, rapid 9-1-1 paramedic response can be the difference between life and death. You never know when an accident or medical emergency will occur. Vote Yes on S to ensure rapid 9-1-1 paramedic response is ready when you or a loved one needs it the most.

IMPARTIAL ANALYSIS BY COUNTY COUNSEL

MARIN HEALTHCARE DISTRICT
MEASURE CC

This Measure was placed on the ballot following submission of a voter initiative petition containing the number of signatures required by law.

Because Measure CC was placed on the ballot through the initiative process, it will be adopted if approved by a majority of the votes cast in this election. If it is adopted, the Marin Healthcare District will levy a parcel tax beginning the first full fiscal year after the effective date. The Measure will remain in effect for thirty years from the beginning of the parcel tax. The rate of the parcel tax shall be $0.14 per square foot of improved building area, which is defined as the area on a parcel of taxable real property on which there exists any building. The Marin Healthcare District estimates revenue from this Measure will average approximately $12,400,000 annually.

The revenue raised by this parcel tax must be placed in a special account and can only be used for the purposes stated in this Measure. The stated purposes for the funds raised by this special tax are the expansion and modernization of intensive care, trauma, triage, and hospital facilities, as well as additional capacity for the emergency room and patient rooms. The funds may also be spent to hire and retain doctors and nurses, with no funds for administrator salaries.

ARGUMENT IN FAVOR OF MEASURE CC

Vote YES on Measure CC to protect local access to life-saving emergency care and hospital services close to home by keeping MarinHealth staffed, equipped, and ready!

For victims of heart attacks, strokes, and accidents, seconds mean the difference between life and death. Measure CC ensures that we have access to life-saving medical care when we need it most.

In Marin County, access to emergency care is especially critical — we have only one major freeway, and traffic delays to the nearest hospital in San Francisco or Sonoma can exceed an hour.

MarinHealth Medical Center is the only designated trauma center in Marin County — and a full-service community hospital providing emergency care, heart and stroke treatment, cancer care, surgery, and mental health services. Studies show that trauma center care can **increase survival rates by up to 25%.**

Emergency room visits are increasing, and demand for emergency care is growing. Without investment, our hospital risks falling behind safety standards and losing critical services.

Vote YES on Measure CC to:

- **Upgrade medical technology** for heart attacks, strokes, and cancer
- **Modernize intensive care, trauma, and triage** facilities
- **Expand ER capacity** to reduce wait times and overcrowding
- **Improve outdated operating rooms**, labs, and imaging facilities
- Improve **mental health, addiction, and suicide prevention** services
- Modernize hospital facilities for **earthquake safety**
- Attract and retain **qualified doctors, nurses**, and specialists

Measure CC requires strict fiscal accountability:

- Ensures that MarinHealth Medical Center remains a public, community-owned hospital
- **Every penny stays local** and cannot be taken by State or Federal governments
- **All funding must be spent as promised** and not on administrators' salaries
- **Independent oversight and audits**

When an emergency strikes, we need quick access to excellent medical care.

Join local first responders and doctors who rely on MarinHealth every day to save lives. Vote **YES on Measure CC!**

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE CC

Marin residents support needed public services. We draw the line at "straight up dishonest" tactics that manufacture panic to fund a wish list through generational taxation.

Proponents claim they need tax to attract staff and save emergency care. The district's own August 2026 metrics confirm no such crisis: nursing headcount rose, primary care waiting list fell from 3,000 to zero, and turnover dropped to 2%.

MarinHealth is nowhere near ruin, nor is its emergency room. It reported $661 million in revenue, a $24 million surplus, $23.6 million in gifts, and CEO pay in the top 5% nationwide. Taxpayers should fund needs, not wants. Let donors fund wish lists.

Proponents promise strict fiscal accountability. In the fine print, oversight is advisory only, without enforcement, relying on routine district audits. Worse, the district may pledge this 30-year tax to issue bonds, borrowing cash upfront, piling debt and locking revenue so repeal is impossible.

Their record: taxpayers approved $394 million in 2013 and got a front-loaded, interest-heavy structure. More than borrowed ($593 million) remains owed through 2047. Fiscally irresponsible.

The district is extending its seismic deadline while the measure does not even require spending on seismic work.

Measure CC charges per square foot, so modest homes pays like mansions, with no exemption for seniors or low-income residents already afraid of hospital bills. It will take from everyone just to pad their budget.

Examine the numbers. Vote no on CC. It's double crazy.

ARGUMENT AGAINST MEASURE CC

A child starting kindergarten this fall will be mid-thirties when Measure CC expires. Crazy.

Her parents will pay it like a mortgage; but Marin, we already pay one since 2013. Now the hospital wants more. Double crazy.

Measure CC is well named: double crazy. A double mortgage funding a wish list: "upgrade," "expand," "attract."

It's crazy to charge by the square foot, not by what a home is worth: a modest house pays like a mansion. It's double crazy when the hospital's foundation already raises twice this tax in gifts.

In 2013 the hospital borrowed $394 million for building and earthquake upgrades. It's crazy that only $33 million is paid off, 8%. It's double crazy that ballooning $593 million is still owed through 2047, $232 million of it interest.

Measure CC seeks a second tax of $372 million, 30 more years, combining to $965 million. Crazy. Scaled to a home: owing $965,000 on a house built for $394,000, then renovation borrowing again before one-tenth is paid. Double crazy.

Atop your current bill, a 2,000-square-foot home pays $280 more yearly, $8,400 total, with no senior or low-income exemption. Crazy.

Only another vote can repeal it, and the district may bond against it. Proposition 43 on this ballot restores the two-thirds vote for such taxes. Measure CC asks that it not apply. Double crazy.

It's crazy for the rich to tax the poor. Hospital 2024 revenue: $661 million. Surplus: $24 million.

Gifts: $23.6 million. CEO pay: over $2 million. It's double crazy that a director and a taxpayer advocate said on the record that petition gatherers told them the hospital would close if they did not sign, conduct called "straight up dishonest."

Vote no on Measure CC: a double crazy double mortgage that makes no sense and leaves no cent behind.

REBUTTAL TO ARGUMENT AGAINST MEASURE CC

To be clear — this is an extremely serious issue facing Marin County.

Measure CC's sole opponent cares more about quippy taglines and misleading statistics than protecting our community's emergency care.

As an educated Marin County voter, you deserve the facts about Measure CC, not misinformation:

FACT: **MarinHealth Medical Center is the only designated Trauma Center** in Marin County. During an accident, heart attack, or stroke, we need care close to home. Being treated at a Trauma Center can increase a patient's chance of survival by up to 25 percent.

FACT: In an emergency, you need help fast. **Seconds can mean the difference between life and death.** Voting YES on CC ensures you and your family have rapid access to life-saving care.

FACT: MarinHealth Medical Center is the only hospital owned by the residents of this County. Measure CC keeps all profits reinvested locally.

FACT: There is only one major highway in and out of Marin County. In an emergency, patients can't afford to sit in traffic for hours or cross a bridge to get to a neighboring hospital.

FACT: Every penny from Measure CC stays in Marin to improve our emergency healthcare. No funds can be taken away by the state or federal governments or be used for administrators' salaries.

FACT: Under Measure CC, larger homes pay their fair share. State law prohibits healthcare districts from offering senior exemptions.

FACT: Measure CC is supported by community leaders including doctors, nurses, and first responders.

Vote YES on CC to protect local emergency healthcare!

FULL TEXT OF MEASURE CC

ORDINANCE NO. ____

AN ORDINANCE OF THE PEOPLE OF THE MARIN HEALTHCARE DISTRICT, CALIFORNIA, ENACTING A SPECIAL PARCEL TAX TO FUND LOCAL HOSPITAL, EMERGENCY TREATMENT, MENTAL HEALTH, AND OTHER HEALTHCARE FACILITIES, PROGRAMS AND SERVICES

THE PEOPLE OF THE MARIN HEALTHCARE DISTRICT DO HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Title. This measure shall be known and may be cited as the Marin Safe and Reliable Emergency Healthcare Initiative (the "Initiative").

SECTION 2. Findings and Purpose.

A. Findings. The people of the Marin Healthcare District ("District") find and declare the following:

1. The mission of the Marin Healthcare District is to enhance the provision of quality health care in Marin County by supporting the highest quality medical, trauma, emergency cardiac, and psychiatric care at MarinHealth Medical Center for the benefit of the Marin County communities it serves.
2. MarinHealth Medical Center is also the only designated Trauma Center in Marin County. Studies show that being treated at a Trauma Center increases a seriously injured patient's chances of survival by up to 25 percent.
3. In an emergency, seconds can mean the difference between life and death. There is only one highway in and out of Marin County, and traffic is often so bad that it can take well over an hour to get to a neighboring hospital. It is therefore critical that Marin residents have rapid local access to the most advanced life-saving medical care when and where we need it most — right here in Marin County.
4. Although many hospitals are owned by large private corporations focused on making profits, MarinHealth Medical Center is owned and controlled by the District and accountable to its residents, with all proceeds reinvested locally to provide the best quality healthcare for our community.
5. Over the past decade, many hospitals in California have closed — and many more are barely surviving. With federal and state funding for healthcare services shrinking, high-quality healthcare in Marin County is increasingly at risk.
6. Emergency Room visits have also increased by nearly 25% over the past decade and are expected to continue to rise. We need to expand MarinHealth Medical Center's emergency room, operating rooms, and patient rooms just to keep pace. Moreover, California law mandates that all patient rooms and acute care facilities meet strict earthquake safety standards or they can be forced by the state to close.
7. Some of MarinHealth Medical Center's operating rooms were originally built more than 70 years ago, and funds are needed to complete the final phase of the hospital's earthquake safety upgrades.
8. The residents of Marin County seek to maintain local access to advanced, life-saving emergency medical care for victims of accidents, heart attacks, strokes, and other emergencies. We also seek to expand and upgrade intensive care, trauma, triage, ER, emergency cardiac, and medical facilities, and to attract and retain highly qualified doctors and nurses, including by providing them with modern technology, leading equipment, and new innovations to provide the best possible care for Marin residents.
9. This Initiative therefore adopts a special *non-ad valorem* parcel tax on taxable real property within the District to fund the following critical needs: the expansion and modernization of intensive care, trauma, and triage facilities to better manage medical emergencies; additional emergency room capacity to reduce wait times, overcrowding, and improve access for those with medical emergencies; modernizing and expanding hospital facilities to meet required health and earthquake safety standards; new/additional patient rooms and facilities to provide better access to hospital care, including for an aging population; improvements and upgrades to outdated and aging operating rooms, labs, and imaging facilities to meet current and future medical standards; ensuring that there are enough highly qualified doctors, nurses, and specialists to serve our healthcare needs; and improvements to local mental health, addiction, and suicide prevention services.
10. This Initiative includes and requires strict fiscal accountability protections to ensure all funds are used as promised, including: the new revenues must stay in the District to fund the specified improvements, upgrades, and enhancements set forth herein; no funds may be taken away by the state or diverted for other purposes; no funds may be used for administrator salaries or benefits; and required public disclosure of all spending, including requirements for an independent oversight committee and annual audits.
11. Adoption and implementation of this Initiative will protect and serve the public health, safety, and welfare, and the quality of life for the people of the Marin Healthcare District.

B. Purpose. The people of the Marin Healthcare District declare that our purpose and intent in enacting this Initiative is to authorize and adopt a special *non-ad valorem* parcel tax on each parcel of taxable real property within the District at the uniform rate of fourteen cents ($0.14) per square foot of improved building area per year, the proceeds of which shall be specifically limited and shall be used solely as set forth in this Initiative, to ensure the District is able to continue providing the highest level of healthcare to the Marin community.

SECTION 3. Adoption of Marin Healthcare District Parcel Tax.

The Marin Healthcare District hereby adopts a parcel tax as follows:

Section 1 - Imposition.

A. A special *non-ad valorem* parcel tax (hereinafter the "Parcel Tax") is hereby established and shall be levied

annually on the owner of each parcel of taxable real property located within the Marin Healthcare District (the "District"), unless the owner is by law exempt from taxation, in which case, the Parcel Tax shall be assessed to the holder of the possessory interest in such parcel, unless such holder is also by law exempt from taxation. The Parcel Tax is an excise tax on the use of property within the District.

B. The Parcel Tax shall hereby be established and levied each year, commencing July 1st after the Effective Date, on each parcel of taxable real property within the boundaries of the District at the uniform rate of fourteen cents ($0.14) per square foot of improved building area.

C. The collection of the Parcel Tax shall commence on July 1st after the Effective Date and continue for thirty (30) years thereafter.

D. The Parcel Tax shall be collected by the Marin County Tax Collector (the "Tax Collector") at the same time and in the same manner and shall be subject to the same penalties as *ad valorem* property taxes collected by the Tax Collector. The collection of the Parcel Tax hereunder shall not decrease the funds available from other sources of the District in any period from the Effective Date hereof

E. For the purposes of this Parcel Tax, a "parcel of taxable real property" shall be defined as any parcel of real property located in the District which receives a separate tax bill for *ad valorem* property taxes from the Tax Collector. "Building" is defined as any structure having a roof supported by columns or walls and designed for the shelter or housing of any person or property of any kind. The word "building" includes the word "structure" and encompasses, without limitation, all residential, commercial and industrial structures. "Improved building area" is defined as the area on a parcel of taxable real property on which there exists any building.

F. The District may incur bonded indebtedness for eligible capital costs related to the planning and construction of hospital improvements and upgrades, utilizing the proceeds from the Parcel Tax to make principal and interest payments to service such debt.

G. All property that the Tax Collector has determined to be otherwise exempt from property taxes, or on which no *ad valorem* property taxes have been levied, in any year shall also be exempt from the Parcel Tax in such year. The Tax Collector's determination of exemption or relief for any reason of any parcel from taxation shall be final on the taxpayer for purposes of this Parcel Tax. Taxpayers desiring to challenge the Tax Collector's determination should do so under the procedures established by the Tax Collector's Office, applicable provisions of the California Revenue and Taxation Code or other applicable law. Taxpayers seeking any refund of taxes paid pursuant to this Parcel Tax shall follow the procedures applicable to tax refunds pursuant to the California Revenue and Taxation Code and any other generally applicable law.

Section 2 - Levy, Collection, Purpose.

A. The proceeds of the Parcel Tax shall be deposited into a special designated fund, created and maintained by the District, which proceeds, together with any interest and any penalties thereon, collected each fiscal year shall be used solely for the purposes set forth in subsection B, below. The proceeds from the Parcel Tax shall be expended only for these purposes.

B. Subject to the accountability safeguards specified herein, the proceeds collected by the levy of the Parcel Tax shall be used only as follows:

1. For the expansion and modernization of intensive care, trauma, and triage facilities to better manage medical emergencies;
2. For additional emergency room capacity to reduce wait times, overcrowding, and improve access for those with medical emergencies;
3. For modernizing and expanding hospital facilities to meet required health and earthquake safety standards;
4. For new/additional patient rooms and facilities to provide better access to hospital care, including for an aging population;
5. For improvements and upgrades to outdated operating rooms, labs, and imaging facilities to meet current and future medical standards;
6. To maintain a sufficient number of highly qualified doctors, nurses, and specialists to serve our healthcare needs; and
7. For improvements to local mental health, addiction, and suicide prevention services.

C. Proceeds from the Parcel Tax shall be used only for the purposes identified in subsection B, and not for any other purpose, including for District or hospital administrator salaries or benefits, in accordance with applicable law. The purposes set forth in this Section shall constitute the specific purposes of this Parcel Tax, which are legally binding limitations on how the proceeds of the Parcel Tax may be spent.

Section 3 - Parcel Tax Annual Report.

The District shall prepare a report on at least an annual basis which shows the amount of funds collected and expended, and the status of any project required or authorized to be funded by the Parcel Tax. The District shall file each report with the District's Board of Directors and the oversight committee referenced herein, below.

Section 4 - Parcel Tax Funds Shall Not Replace Existing Funding.

A. The People of the Marin Healthcare District find and declare that, absent the Parcel Tax funds, the District would require more resources than are currently available to plan, construct, equip and/or furnish the proposed expansions, upgrades, and maintenance set forth herein. In adopting this Parcel Tax, the People of the District are providing new, additional District resources to complement, but not to replace or supplant, any or all pre-existing District, state, federal or other funding.

B. Consistent with subsection (A), the People of the District specifically find and declare that their contributions to and disbursements from the designated Parcel Tax fund authorized by this Parcel Tax are discretionary expenditures by the District for the direct benefit of the residents of the District. In the event that the state attempts, directly or indirectly, to redistribute these expenditures to other jurisdictions or to offset or reduce state or federal funding to

the District because of the contributions to and disbursements from the designated Parcel Tax fund authorized herein, the District shall transfer said monies that would otherwise be distributed each year from the designated Parcel Tax fund to such other fund as the Board of Directors may designate, to be spent for purposes which are substantially equivalent to the specific purposes set forth herein.

Section 5 - Increase in Appropriations Limit.

To the extent that the revenue from the Parcel Tax is in excess of the spending limit for the District, as provided for in applicable provisions of the California Constitution and state law, the approval of the Parcel Tax by the voters shall constitute approval to increase the District's spending limit in an amount equal to the revenue derived from the Parcel Tax for the maximum period of time as allowed by law.

Section 6 - Fiscal Accountability Protections and Oversight.

Starting with the first operative year of this Parcel Tax, the District shall establish an oversight committee comprised of District residents to submit a report on at least an annual basis to the Board of Directors evaluating whether the proceeds from the Parcel Tax are being properly expended for the purposes set forth herein. Proceeds from the Parcel Tax shall be subject to the District's generally applicable independent annual audit procedures and requirements.

SECTION 4. Effective Date and Implementation.

A. This Initiative shall be effective upon the earliest date legally possible after the elections official certifies the vote on the Initiative by the voters of the District pursuant to the California Elections Code (the "Effective Date").

B. Upon the Effective Date of this Initiative, the District is directed to promptly take all appropriate actions needed to implement this Initiative, including but not limited to taking any administrative steps necessary to administer and collect the Parcel Tax authorized herein or to update any District codes or documents so they conform to the legislative policies set forth in this Initiative.

C. The District may reorganize, renumber, and/or reformat the provisions included in Section 3 of this Initiative, provided that the full text is implemented without alteration.

SECTION 5. Interpretation and Severability.

A. This Initiative must be broadly construed to achieve the purpose stated above. It is the intent of the voters that the provisions of this Initiative be interpreted or implemented by the District and others in a manner that facilitates the purpose set forth in this Initiative.

B. This Initiative and the special tax authorized herein are adopted pursuant to the provisions and authority contained California Constitution, including Article II, §11. The People of the District declare their intent that this citizens' Initiative, if approved by a simple majority of voters pursuant to controlling California case law, shall be enacted, and the parcel tax be collected, for the entire uninterrupted period described herein. To the extent that the California Constitution or other applicable state law is amended, either at the same election or any time after this Initiative is adopted by the District's voters, to create additional or different voting requirements necessary to implement or to continue to implement this Initiative, the People of the District declare their intent that any such amendments should, to the greatest extent allowed by law, be applied prospectively only and not apply to, or in any way affect, this Initiative.

C. This Initiative must be interpreted so as to be consistent with all federal and state laws, rules, and regulations. If any section, sub-section, sentence, clause, phrase, part, or portion of this Initiative is held to be invalid or unconstitutional by a final judgment of a court of competent jurisdiction, such decision does not affect the validity of the remaining portions of this Initiative. The voters declare that this Initiative, and each section, sub-section, sentence, clause, phrase, part, or portion thereof, would have been adopted or passed irrespective of the fact that any one or more sections, sub-sections, sentences, clauses, phrases, part, or portion is found to be invalid. If any provision of this Initiative is held invalid as applied to any person or circumstance, such invalidity does not affect any application of this Initiative that can be given effect without the invalid application.

D. If any portion of this Initiative is held by a court of competent jurisdiction to be invalid, we the People of the Marin Healthcare District indicate our strong desire that: (i) the Board of Directors use its best efforts to sustain and re-enact that portion, and (ii) the Board of Directors implement this Initiative by taking all steps possible to cure any inadequacies or deficiencies identified by the court in a manner consistent with the express and implied intent of this Initiative, including adopting or reenacting any such portion in a manner consistent with this Initiative.

SECTION 6. District Affairs. The People of the District hereby declare that providing funding through the parcel tax adopted by this Initiative constitutes a district affair. The People of the District hereby further declare their desire for this Initiative to coexist with any similar tax measures adopted at the district, county, or state levels.

SECTION 7. Conflicting Measures. To ensure that the intent of the voters is not frustrated, this Initiative is presented to the voters as an alternative to, and with the express intent that it will compete with or take precedence over, any and all voter initiatives or District-sponsored measures placed on the same ballot as this Initiative and which, if approved, would adopt a special tax in the District, which would frustrate the purpose and intent of this Initiative (each, a "Conflicting Measure"). In the event that this Initiative and one or more Conflicting Measures are adopted by the voters at the same election, then it is the voters' intent that only the measure which receives the greatest number of affirmative votes shall control in its entirety and said other measure or measures shall be rendered void and without any legal effect with respect to such matters. If this Initiative is prevented from going into effect by a Conflicting Measure approved by the voters at the same election, and such Conflicting Measure is later held invalid, this Initiative shall be self-executing and given full force of law. Notwithstanding the foregoing provisions of this Section, in the event that both this Initiative and another measure(s) are adopted by the voters at the same election, but the two measures can be harmonized in a manner that permits this Initiative to be implemented upon its adoption without imposing any inconsistent requirement(s), then it is the voters' intent that both the other measure and this Initiative shall be given full force and effect regardless of

which measure receives the greatest number of affirmative votes.

SECTION 8. Amendment. This Initiative may be amended or repealed only by the voters of the Marin Healthcare District voting in an election held in accordance with state law.
