marin

WEATHER TOGETHER

Prepare Today. Protect Tomorrow.

El Niño is a climate pattern that can bring heavier rain and stronger winter storms to Marin.

What does El Niño mean for Marin?

Power Outages

Heavy Rainfall

Flooding

Mudslides and
debris flows

Downed
Power Lines

Road Closures

Prepare Before The Storm

- 1 Sign up for Alerts**
Get local emergency alerts from AlertMarin
[Emergency.MarinCounty.gov](https://www.emergency.marincounty.gov)
- 2 Make a Plan**
Know where to go, how to connect and
what to do.
- 3 Pack a Go-Bag**
Pack essential items you can grab quickly if you
need to evacuate.
- 4 Build a Stay Box**
Keep supplies at home in case you need to
shelter in place.
- 5 Check on your Neighbors**
Build connections now to help each other during
an emergency.

Protect Your Property

- Check where water collects.
- Fix drainage or erosion issues.
- Clear gutters, drains and downspouts.
- Direct water away from buildings and slopes.
- Trim weak or overhanging branches.
- Test sump pumps and backup power.
- Find local sandbag locations.
- Secure outdoor furniture, vehicles and valuables.

Know Your Risk

Could flooding or other hazards affect your home or route?
